Ó ð cordula barzantny toulouse business school france

Óthis volume offers an insightful introduction to qualitative field research aiming to understand the dynamics in intercultural business interactions based on the findings provided in ten rich cases from asia europe north africa usa and latin america the editors also propose strategies for more effective collaboration in challenging multiple cultures contexts the authors and editors have succeeded in transforming the field studies into cases that are stimulating and thought provoking readings both for practitioners and students of cross cultural management

Ó ð anne marie s derberg copenhagen business school denmark

based on the view that culture is dynamic and negotiated between actors this groundbreaking book contains a collection of ten cases on cross cultural management in practice the cases draw on field research revealing challenges and insights from working across nations and cultures each case provides recommendations for practitioners that are developed into a framework for effective intercultural interactions as well as offering illustrations and insights on how to handle actual cross cultural issues this enriching book covers various topics including international collaborations across and within multinational companies organizational culture in international joint ventures and knowledge transfer based on empirical fieldwork and qualitative analyses this path breaking book will appeal to graduate and postgraduate students in international management as well as practitioners

in this update of his classic book craig storti takes readers through 74 brief dialogues between an american and a person from another culture short as these dialogues are they have buried within them at least one cultural breach which the reader is challenged to figure out in the course of these conversations readers come face to face with the fact that many of their most cherished

instincts don't travel very well and what is expected and understood in one culture may be shocking and incomprehensible in another leading inevitably to all manner of misunderstandings and these misunderstandings in turn often result in a wide variety of unpleasant emotional and practical consequences from hurt feelings and missed opportunities to failed negotiations and lost profits to anger and hostility but if we could stop assuming that other people are like us if we could begin to believe that we don't necessarily understand our cultural counterparts in social or business settings we would be well on our way to avoiding cultural misunderstandings and the problems they give rise to that in a nutshell is the purpose of this book to alert readers to the misunderstandings lurking in the most common interactions we have with people from other cultures and help us take the first and most important step down the road to cultural sensitivity

as societies world wide become increasingly multicultural so the issues of identity belonging tolerance and racism become imperative to understand in their various forms this book adds to the discussion by examining the interface between the lived personal experiences of people in cross cultural marriages and wider socio political issues one major contribution this book offers is that the marriages discussed are from a very broad range of cultures and classes amongst other issues contributors examine the legal and social factors influencing cross cultural marriages the personality factors and positive or negative stereotypes of otherness that influence spouse choice notions of identity gender and personhood and definitions of difference and how these are often tied up in emotive stereotypes how all these factors affect the ongoing process of living together and the ability to cope and how the children of such marriages come to terms with identity choices this book should be highly relevant to the growing number of people in cross cultural marriages as well as to professionals in the fields of marriage guidance child welfare and academics interested in ethnicity and kinship
