this fourth edition of this best selling core history textbook offers a richly illustrated single volume narrative introduction to african history from a hugely respected authority in the field the market leading range of illustrated material from prior editions is now further improved featuring not only additional and redrawn maps and a refreshed selection of photographs but the addition of full colour to make these even more instructive evocative and attractive already hugely popular on introductory african history courses the book has been widely praised for its engaging and readable style and is unrivalled in scope both geographically and chronologically while many competitors limit themselves to certain regions or eras shillington chronicles the entire continent from prehistory right up to the present day for this new edition both content and layout have been thoroughly refreshed and restructured to make this wealth of material easily navigable and even more appealing to students unfamiliar with the subject new to this edition now in full colour with fresh new design part structure and part intros added to help navigation new and improved online resources include a new testbank interactive timelines lecturer slides debates in african history essay questions and further readings revised and updated in light of recent research

an ethnography of the recording of mbaqanga music that examines its relation to issues of identity south african politics and global political economy

now fully revised and updated this classic text offers an illustrated and critical narrative introduction to the history of africa from earliest times to the present beginning with the evolution of mankind itself the book traces the history of africa through the millennia of the ancient world to the centuries of medieval and modern africa the clear and simple language and the wealth of carefully chosen maps and photos combine to make an essential and accessible text

the future of employment in africa demography labour markets and welfare explores the major trends that will define the face of the sub saharan continent in the next three decades the near doubling of africa s population by 2050 will lead to more than twenty million new job seekers entering the african labour market every year until then right now africa doesn t seem armed to offer jobs to this many people resulting in possible unrest and intra african or intercontinental migration flows including to europe climate change creates additional migratory pressure as it threatens the future of agriculture and livestock the author explores the opportunities for increased job creation in africa work provides income and decent and meaningful jobs contribute to prospects and social stability the evolution of the labour market is essential for the continent s future fortunately africa has some major strengths the continent has the youngest population in the world and represents a wealth of creativity and innovation moreover africans excel in market creating innovation the ability to see market opportunities and innovations that others do not africans create their own jobs through micro and small enterprises a young well trained middle class familiar with digital technologies is emerging africa s abundant natural resources also attract global regional powers aspiring to secure access to critical raw materials something the continent can use to its own advantage special attention goes to the european union s africa policy the book takes a critical look at the european union s intentions and approach and formulates recommendations to the european commission the author combines economic analysis with stories

from twenty five years of experience with impact investments in africa he challenges the typical pessimistic stereotypes about the continent and provides an optimistic vision of africa s future

driven by her family s devastating losses congolese expatriate francisca thelin embarks with human rights activist lisa j shannon on a perilous journey back to her beloved homeland now under the shadow of one of africa s most feared militias joseph kony s lord s resistance army with gunmen camped at the edge of town francisca is forced to face a paralyzing clash between her life in america and her family s rapidly evaporating world and the reality that their rush to her family s aid may backfire mama koko and the hundred gunmen weaves francisca s journey with stories of the family s harrowing encounters with gunmen and tales from their past to create a vivid illuminating portrait of a place and its people we hear of mama koko s early life as a gap toothed beauty plotting to escape her inevitable fate of wife and motherhood of papa alexander s empire of wives each of whom he married because she cooked and cleaned and made good coffee and of francisca s idyllic childhood when she ran barefoot through the family s coffee plantation gorging herself on mangoes and fish that were the size of small children offering compelling testimony to the strength of the human spirit and the beauty of human connection in the darkest of times mama koko and the hundred gunmen also explores what it means and requires to truly make a difference in an unjust and often violent world

we really don t know a christian until we understand how they came to christ we might think most christians have had an amazing life but instead many tell a remarkable story derived from spiritualism drug or alcohol abuse or harrowing near death experiences these dark places however uncomfortable to read or hear were crucial to their journeys in an inspiring guide to knowing and understanding how ordinary people came to christ rowan winter chronicles seven very different stories six of which are told by the person who lived it she begins by telling the story of paul the apostle from historical and biblical accounts and then follows with her own story the remaining stories come from individuals and couples whose paths to christ culminated in love and healing and ultimately changed how they viewed the world included are introspective questions that encourage reflection and a writing exercise to compose letters to the reader from christ written on human hearts is a collection of seven true stories that tell how regular people came to christ while sharing powerful lessons of hope faith and love

recent innovations in the field of information technology and communications are radically changing the way international organizations conduct business in this competitive environment having the necessary tools to streamline business transactions and secure digital payments is crucial to business success electronic payment systems for competitive advantage in e commerce provides relevant theoretical frameworks and the latest empirical findings on electronic payment systems in the digital marketplace focusing on the importance of e commerce in business development including the advantages and disadvantages of e payments this book is an essential resource for business professionals who want to improve their understanding of the strategic role of e commerce in all dimensions as well as for both researchers and students

about a year ago film started to circulate on youtube of a remarkable man named kevin richardson an animal custodian in a south african animal park the film showed richardson in his day to day work looking some of the world s most dangerous animals directly in the eye crouching down at their level playing with them and sometimes even kissing them on the nose all without ever being attacked or injured the films popularity skyrocketed and richardson became an international sensation in part of the pride kevin richardson tells the story of his life and work how he grew from a young boy who cared for so many animals that he was called the bird man of orange grove to an adolescent who ran wild and finally to a man who is able to cross the divide between humans and predators as a self taught animal behaviorist richardson has broken every safety rule known to humans when working with these wild animals flouting common misconceptions that breaking an animal s spirit with sticks and chains is the best way to subdue them he uses love understanding and trust to develop personal bonds with them his unique method of getting to know their individual personalities what makes each of them angry happy upset or irritated just like a mother understands a child has caused them to accept him like one of their own into their fold like anyone else who truly loves animals richardson allows their own stories to share center stage as he tells readers about napoleon and tau the two male lions he calls his brothers the amazing meg a lioness richardson taught to swim the fierce tsavo who savagely attacked him and the heartbreaking little hyena called homer who didn t live to see his first birthday richardson also chronicles his work on the feature film the white lion and has a lot to say about the state of lion farming and hunting in south africa today in part of the pride richardson with novelist tony park delves into the mind of the big cats and their world to show readers a different way of understanding the dangerous big cats of africa

this edited volume transcends conventional state centric and formalistic notions of regionalism and theorizes conceptualizes and analyzes the complexities and contradictions of regionalization processes in contemporary africa the collection not only unpacks and theorizes the african state society complex with regard to new regionalism but also explicitly integrates the often neglected discourse of human security and human development in so doing the book moves the discussion of new regionalism forward at the same time as it adds important insights to security and development it is organized into three parts part i theorizes conceptualizes and analyzes the new regionalism in africa from the point of view of the region e g west east central and southern africa the national perspectives in part ii focus on the new regionalism in africa from the point of view of particular countries or specific state society complexes such as kenya the democratic republic of the congo drc the enclave of cabinda angola and zambia part iii contains two concluding chapters that tie the main threads of the volume together theoretically and empirically and discuss the contribution of the analytical framework the new regionalism approach

nra to the larger study of regionalism

benedikt franke assesses the peace and security architecture that is taking shape under the nominal leadership of the african union analysing the emerging structures and trends and also rethinking prevailing notions and theoretical assumptions about interstate security relations

red africa makes the case for a revolutionary black politics inspired by marxist anticolonial struggles in africa contemporary debates on black radicalism and decolonisation have lost sight of the concerns that animated their twentieth century intellectual forebears okoth responds challenging the claim that marxism and black radicalism are incompatible and showing that both are embraced in the anti imperialist tradition he calls red africa the politics of black revolutionary writers eduardo mondlane amlcar cabral walter rodney and andre blouin gesture toward a decolonised future that never materialised instead it was betrayed violently sup pressed or erased we might yet build something new from the ruins of national liberation something which sustains the utopian promise of freedom and refuses to surrender red africa is a political project that hopes to salvage what remains of this tradition

takes the reader into the world of the marginalized the slums villages and other abandoned spaces in the undeveloped world and allows their story to be told

includes section books and reports
